Sunset Riders™
Saddle up, Hombre!

The dusty badlands of the Wild West are crawling with more than just snakes, scorpions and prairie dogs. There are lowdown cheatin’ vermin like the bandito Poco Loco, the bankrupt banker Simon Greedwell, and the dapper English diablo Sir Richard Rose. Each of these no account lowlifes has a hefty price on his head. It will take a brave bounty hunter to ride out and bring peace to the valley. Fortunately, Steve, Billy, Bob and Cormano are just the men to form a possé and corral these corrupt cowardly crooks.
How to hunt varmints

In the game, you control one of the bounty hunters. You’ll have to avoid enemy attacks and traps. Eating a bullet from an enemy’s gun will bring a quick end to your attempt to save the West.

Insert the game pak into the Super NES, then switch on the power. Press START when the title screen appears. Use the control pad to highlight 1 PLAYER, 2 PLAYER or OPTIONS, then press the START button again to select that choice.

PSSST! Here’s some hints ’n’ tips, amigo!

• Y’all can pick up them there sticks of dynamite and pitch’em back—but hurry before they blow up in your hands! Here’s how ya do it:
  • Walk over the stick of dynamite to pick it up.
  • Press the control pad in the direction ya wanna toss the dynamite, then press the shoot button. A big exclamation point appears right before the dynamite is gonna blow up.
  • You can jump onto rooftops by holding the control pad up and pressing the jump button.
  • Try going into buildings for extra bonuses. Simply press up on the control pad when you are standing in front of a door.
  • There are a couple of Sheriff’s badges which can boost yer guns: One gives ya some wild rapid firin’ guns and the other gives ya a second gun so’s you can shoot in two directions.

The bonus level

Here’s a good way to make a few quick pieces of gold. This level appears a few times in the game. It’s yer basic shootin gallery-type thing. Use the control pad to point the aiming doohickey at the bad guys that pop up, then press the shoot button to blast’em. You’ll see yer score after the stage ends. In 2 player mode, the fastest gun wins the bucks.
